Intercollegiate: Yes

Comments: The Pistol Club Team assists its members in improving their shooting skills and provides opportunities for team members to represent Texas A&M at local, regional, and national tournaments. Competitive events include standard pistol, free pistol, and air pistol. The club holds try-outs early in the fall semester and then again in the spring semester. Website: <http://pistolteam.tamu.edu/> The Trap & Skeet Club Team serves students and faculty/staff by providing skill development to newcomers in safety, range etiquette and the fundamentals of trap and skeet shooting. In addition, the club provides an avenue for individuals to compete in trap and skeet shooting on an intercollegiate level, in state and national competitions and possibly the Olympics. The Trap and Skeet Club currently practices at the Boswell-Porter 4-H Range in Snook, TX Website: <http://www.aggieclays.com/> Marksmanship and weapons training through the Army ROTC program and the Military Science Department. ROTC participates in Ranger Challenge Team competitions. Scholarships are available through the ROTC. Website: <http://www.armyrotc.com/edu/txam/index.htm>

ROLLA, MO 65409-0310

Disciplines: SB Rifle, Air Rifle, Pistol, Shotgun, Skeet, Trap, ROTC, Club Sport

Scholarships Available: No

Equipment Provided: Yes

Intercollegiate: Yes

Comments: Formerly known as University of Missouri-Rolla. Shooting programs include Army ROTC and Trap & Skeet Club. Army ROTC (Stonehenge Battalion) participates in Range Challenge Competitions. Ranger Challenge is ROTC's "varsity sport." The Missouri S & T Trap and Skeet Club was established in 1975 to promote the shooting sports of trap and skeet on the Missouri S & T campus. The club teaches safe gun handling and shooting practices to ensure that all members have a safe, enjoyable time while with the club. Club

meets every Wednesday at 8:00pm on the second floor of the Havener Center. Also meets at the club house on Sundays around 11:30. The price of each round of 25 clay pigeons is only \$5.50. This includes shells, range fees, and the use of all club equipment. If you provide your own shells the price is only \$3.00 for each round. Dues are \$15.00 each semester. You can shoot twice with the club before paying dues. If you have your own gun or other equipment you are welcome to use it. The club currently owns several different models of over-under, semi-automatic, and pump shotguns. Members are allowed to use any of these guns when they shoot. All we ask is that you use the club's cleaning supplies to clean the gun when you are finished. The club also provides shotgun shells, ammunition pouches, and eye and ear protection.

Comments: The Shotgun Sports Club provides shooting opportunities for individuals with all degrees of experience. Practices are held weekly at the Cheyenne Trap Club. Competitive shoots against other collegiate teams are held in both fall and spring semesters. A newly formed Rocky Mountain League will match teams from Colorado and Wyoming in head-to-head competition once a month at fields around the region. The Shotgun Sports Club also competes annually at the ACUI National Championship. The club participates in international trap/skeet, American trap/ skeet, five stand, sporting clays, and doubles trap. University of Wyoming Rifle Club The rifle team consists of at a minimum four personnel. Both male and females may join the rifle team. The team practices in the evening from 6:00 PM until 8:00 PM on Monday through Thursday and from 4:00 to 6:00 PM on Friday. Times are subject to change due to the schedules of the students that participate on the team. All practices are held in the indoor rifle range in the basement of Half Acre Gym. The team will shoot both the air rifle and 22-caliber match rifle. Each firer will work on improving their marksmanship skills in the three basic positions required for competition, which are the standing, sitting and kneeling positions. All equipment for competing and practicing is provided to personnel on the team at no cost. For more information contact UW Army ROTC at (307)766-3390 or email armyrotc@uwyo.edu
